

Dear Parents /Guardians,

This year we are using a student and grading system called HOME ACCESS CENTER. This program is being used for parents/guardians to see their child's grades, attendance and discipline.

To start using our new program, go to the following internet address:

<https://hac.lisd.us/homeaccess>

The screenshot shows a web browser window with the address bar displaying 'Home Access Center Login'. The page header includes the SUNGARD logo and 'PENTAMATION INC.' on the left, and the title 'Home Access Center Login' in the center. The main content area contains a login form with a dropdown menu for 'Select a District' (set to 'Dundee Community Schools'), 'Username: \*' and 'Password: \*' input fields, and a 'Log In' button. To the right of the form, there is a welcome message: 'Welcome to the Home Access Center. To begin, please enter your username and password.' followed by 'Welcome to Home Access Center! Please enter your login name and password.' and a link for registration: 'If you do not have a username and password for Home Access Center, you can register by clicking here.'

*If you need your account information or forget your password in the future, you will need to contact Judy Henning at the Technology help desk: 734-529-7008 ext 3202 or email [jhenning@dundee.k12.mi.us](mailto:jhenning@dundee.k12.mi.us).*
